: : ... : :: There is no such thing as a hebrew word. Hebrew is merely the written :: form of yiddish. :: : Utter, complete bullshit. They are two completely different :: languages. Both exist in both spoken and written form. Hebrew is :: a semitic language, closely related to Arabic. Yiddish is a :: Germanic language derived from medieval German. They happen to use :: the same written alphabet, that is the extent of the similarity. : : That last observation shows how little Rev really knows. : : Yiddish and Hebrew have as much in common as Hungarian and : Welsh, i.e., they use the same alphabet. We need to add this to : the list of the Rev's outrageous lies: : Yiddish is the \*only\* language that uses the hebrew alphabet (right to : left, back to front and upside down). Therein lies the difference. No, there are two languages that use the Hebrew alphabet: Yiddish and Hebrew. Just as many unrelated languages use the Roman alphabet. :- (Almost) all Jews are liars and criminals, with perhaps a few : mutant exceptions : This is absolutely true. :- ICAO requires airlines to serve coffee to passengers : This too. I thought you admitted it didn't and tried to divert attention to the IATA. Of course the IATA has no authority in the area of passenger services either... :- Israelis have no choice other than El Al if they wish to fly : in or out of Israel : See below. ??? Nothing below. And you admitted that there are dozens of airlines that fly in & out of Israel. :- Many European airlines refuse to give reservations to passengers : with Jewish names : Absolutely true.
